

# **MARK PURKEY MINISTRIES, INC.**

Press Release

**Since the beginning of his ministry in 1981, Mark Purkey has used his testimony as a powerful tool to preach the gospel of Jesus Christ. Healed of lymphoma cancer at the age of 19, Mark experienced the touch of Jesus one unforgettable night in his hospital room. Given only 3 to 6 months to live, a grandmother literally stood on the Word of God claiming its provision. Simultaneously, the presence of God entered Mark's hospital room and a miracle took place. Shortly thereafter, Mark was released with a clean bill of health.**

**Mark Purkey is a dynamic Bible preacher. His refreshing and straightforward style of preaching is enhanced by his humor and his ability to apply Biblical principles to contemporary problems.**

**2011 marks our 30<sup>th</sup> year of Marriage and full-time Ministry. Purkey along with his wife, Susie, a Licensed Minister with the Assemblies of God, a former Revivaltime Choir soloist and present day recording artist, have declared the gospel of Jesus Christ to thousands of people throughout the United States, Canada and in 18 different nations of Eastern and Western Europe, through Evangelistic meetings. God has been faithful to perform the miraculous in hungry hearts. The Purkeys have been guests of the Trinity Broadcasting Network and reside in the Oklahoma City area with their 2 children.**
